

CLEAN ENERGY WEEK

2017

BY THE GOVERNOR OF THE STATE OF NORTH CAROLINA

A Proclamation

WHEREAS, North Carolina boasts clean and readily abundant forms of energy across the State that power more homes and businesses than ever before; and

WHEREAS, clean energy is driving the United States' energy future and fosters economic growth¹; and

WHEREAS, clean energy includes energy generated from wind, solar, hydropower, biomass, and geothermal sources and energy saved because of energy efficiency policies and programs; and

WHEREAS, North Carolina is ranked second in the nation in installed solar capacity and has more than 7,000 megawatts of installed renewable energy capacity;² and

WHEREAS, the clean energy sector is a growing part of North Carolina's robust economy and includes more than 34,000 full-time employees, a 31% increase since 2015;³ and

WHEREAS, North Carolina's clean energy jobs grow local economies and boost economic development in rural and urban communities; and

WHEREAS, State government must collaborate with North Carolina entrepreneurs and small businesses to assert U.S. leadership and dominance in the global clean energy marketplace and to assure low-cost reliable energy here at home; and

WHEREAS, National Clean Energy Week, which runs from September 25 – 29, 2017, provides an opportunity for individuals, local governments, corporations, and other organizations in North Carolina to champion common-sense solutions that address the United States' 21st century economic and energy needs;

NOW, THEREFORE, I, ROY COOPER Governor of North Carolina, do hereby proclaim September 25 – 29, 2017, as "Clean Energy Week" for North Carolina.

[Signature]

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Great Seal of the State of North Carolina at the Capitol in Raleigh this _____ of September in the year of our Lord two thousand seventeen and of the Independence of the United States of America the two hundred and forty-first.
